On September 1 Martin Family Farms Hoosierland Pork was awarded with a plaque honoring the farm as the Carthage Veterinary Service (CVS)

Outstanding Sow Farm of the Year

This was made possible by our veterinarian Aaron Lower who graciously nominated the farm.

DID YOU KNOW.....

1. The first book written about pig farming was in 3468 B.C. by Emperor Fo Hi in China
2. In Denmark there are twice as many pigs as people
3. Pigs have 15,000 taste buds
4. There have been cases where biological tissue is taken from pigs to replace damaged human heart valves.
