## **Country View Family Farms Partnership**

North Fork Farms has successfully transitioned sending their weaned pigs to Country View Family Farms. The pigs are to be raised as NAE pigs (No Antibiotics Ever) and will be sold under Clemens Food Group label Farm Promise. The pigs that need treatment intervention will be marketed under their Hatfield label. Clemens Food Group has been around since 1900 located in Hatfield, Pennsylvania. Their Farm Promise label has been marketed since 2014. As many know, our pigs that we finish ourselves are marketed to their Coldwater, MI process facility. We are very excited for this new partnership and look forward to many years together.
