Happy October! Here are some Trick-or-Treat fun facts

- Children originally received fruits and nuts
- More than 90% of parents steal some of their kid's candy
- Halloween dates back more than 2,000 years
- It is the second largest commercial holiday in the United States
- Illinois produces more pumpkins than any other state
- Candy corn was originally called "chicken feed"
- Skittles is the top Halloween candy

SAVE THE DATE:

North Fork Farms team member flu vaccine clinic **October 27 starting at 2:30** at the farm. Open to team member family as well as them. Must sign up prior to the clinic so the health department can have the registration completed. Hoosierland Team members, I am still working on getting a clinic set up at the farm, however, you can go to the Fountain/Warren County health department or any pharmacy and get a flu shot, most places are free of charge.

Biometric Screens at Hoosierland Pork **November 10** and North Fork Farms **November 11**. This screen is a health screen to help prevent chronic health issues. A sign-up sheet will be posted closer to the event.

Farm Christmas Party will be **December 5**, at the Beef House. **Doors open at 5, Dinner served at 5:30**
