## **Indiana State Fair Recap**

### **Featured Farmer**

Martin Family Farms was honored to represent the swine industry at the Indiana State Fair on Saturday, July 30<sup>th</sup> as the featured farmer this year. It was so great seeing everyone get together to celebrate as a great big family. We couldn't do it without each and every one of you and we can't thank you enough for all your hard work.

### **Pork Tent Volunteers**

This year was our second annual Indiana State Fair Pork Tent volunteer event. We had volunteers from both of our sow units get together to help spread the word about the pork industry and the agriculture community while serving delicious food to state fair attendees from all over. Here are some huge fair records to really sink your teeth into...

The two pork tents sold a combined: 11006 BBQ Pulled Pork Sandwiches, 9505 Pork Burger Sandwiches, 6479 Boneless Pork Loin Sandwiches, 4466 Loaded Pit-Tatoes, and 2898 Bone-In Pork Chops

Macaroni was the tent's most popular side item

The 2022 Indiana State fair had 837,568 people attend

It takes over 500 volunteers to run the two tents for 18 days. Volunteers included FFA members, American Legion Members, Church Groups, Agriculture Organizations, and Martin Family Farms.

Thanks for a Great Summer!!
